Dear Gentlepersons:

I am writing in response to NOTICE TO FILE MISSING PARTS OF
NONPROVISIONAL APPLICATION dated 07/20/2005, Application Number 10/661,934.

Begging your pardon, the compact discs I submitted contain duplicate material to the paper application you have accepted as Application Number 10/661,934. Please accept my apology and treat the compact discs as if they had not been submitted, referencing CONSOLIDATED PATENT RULES Title 37 - Code of Federal Regulations Patents, Trademarks, and Copyrights (January 1, 2003), § 1.52 Language, paper, writing, margins, compact disc specifications:

"(7) If a file is unreadable on both copies of the disc, the unreadable file will be treated as not having been submitted. A file is unreadable if, for example, it is of a format that does not comply with the requirements of paragraph (e)(3) of this section, it is corrupted by a computer virus, or it is written onto a defective compact disc."

Again, I apologize for this error in my application. I look forward to your review of my paper application as accepted.

Sincerely,

Mark Espenschied
